# About the Mental Health Peer Specialist (MHPS)

## Statement of Purpose

The Mental Health Peer Specialist credential standardizes qualifications of those working in Recovery Support within the field of, mental health, and/or co-occurring disorders. The following MHPS credentialing guidelines have been developed by the **Texas Certification Board**.

## Statutory Limitations

Certification as a MHPS is not to be construed as authorization to charge or collect fees for services rendered if to do so conflicts with any statutory limitations. Where the statute requires that a MHPS be supervised by a licensed provider, they shall be so supervised.

## Authority

The authority of the Certification Board is derived from those persons who are dedicated to service as peer specialist and who are most affected by certification. This authority is embodied as an autonomous body associated with the statewide association of alcohol and drug abuse counselors, the Texas Association of Addiction Professionals, Inc. Recognition of this certification is voluntary. The credibility of this certification results from the standards that are maintained, the performance level established by the Certification Board, and most importantly, the competency and integrity of those holding the certification.

## **Procedure for code of ethics complaints**

TCB has a process established to provide an avenue through which persons can file complaints about the ethical conduct of a TCB MHPS or an applicant to the certification system. This provides a procedure and a forum by which such a professional or applicant may make a good faith dispute and respond to such complaints. This system is used to adjudicate complaints, which, have been found to be irresolvable through other means. Prior to employing the process, persons are encouraged to attempt to resolve the situation through other means, i.e., personally with the MHPS or through the MHPS supervisor/employing agency. If this means fail or do not satisfactorily resolve the circumstances, the disciplinary review process may be the appropriate vehicle to address the complaint.

All matters of ethical violation and misconduct shall be referred to the Ethics Committee, which shall investigate any allegations or charges against any member of the Association and/or certified individual. After appropriate study and necessary hearings assuring due process, the committee shall make its recommendations to the Certification Board for review and disposition. A written copy of the Code of Ethics and policies and procedures for grievance, complaints and hearings shall be made available to all members and to any other person requesting them.

Ethic complaints must be submitted in writing and mailed to TCB Headquarters at 401 Ranch Road 620 South, Ste. 310, Austin, and TX 78734.

**I have read, understand and commit to the preceding Codes of Ethics.**
