<b>Additional Questions</b>	
List the activity name or company, description of organization, your personal contribution, and any honors, awards, or leadership positions held.	
<b>Academic honors and Achievements</b>	<b>Graduate:</b> One of three top academic students in Most Competitive MBA in US <b>Undergrad:</b> Awarded the ABC Scholarship in Business Administration (University Honors 2005, 2007, 2008)
<b>School Sponsored Extracurricular Activities</b>	<b>Student Government:</b> Various positions held over three years  <b>President of ABC:</b> Pioneered new student organization that works in community outreach with underprivileged populations, with innovative solutions  <b>Alpha Beta Chi Sorority:</b> active member and new member recruitment team  <b>Outstanding Junior Student Leader:</b> For participation in campus programming activities
<b>Non-school Sponsored Extracurricular Activities</b>	Eagle Scout Volunteer, after school mentor Committee/team-leader for local walk for charitable cause
<b>Work Experience and/or Military or Research Experience</b>	<b>Teaching Assistant:</b> Business Finance in Spring 2015  <b>ABC Finance Analyst; Member of the Junior Resource Advisory Council:</b> Selected to represent the region and enhance the associate program  <b>Intern – Governor's office:</b> coordinated public and private events around the state  <b>Research:</b> Conducted on the effect of demographics and education on career success – published in ABC journal for American business.  <b>Military:</b> Served in the Airforce following high school, on tour in Iraq; currently in the reserves and pursuing a business degree.
<b>Business Plan/ Idea –</b> If you have a specific business plan or idea that you are or will be working on, please describe briefly here (you may expand in your narrative (see below) or attach additional documentation).	See attached business plan for ABC product. A prototype will be shown during the interview process. I have assembled a team of young experts to create and modify this innovative product, and will be pursuing the opportunity to present it to various investors and companies throughout our final year in school.
<b>Financial Projection</b> specific financial need or projection for capital funds for a certain venture	Given my family's position, financial need is not significant enough to garner much government support. I am working and paying for my higher education on my own, with the support of small scholarships and student loans.

*This sample profile is meant to show a partial portrait which includes the possible areas of study and the personal qualities and academic, extracurricular and professional involvement, which the ideal entrepreneurial candidate might exemplify. The information provided here is intended for schools to use as a reference, when searching for students to nominate as TBHF scholars. Outstanding candidates will have similar responses which highlight a propensity for leadership, entrepreneurial achievements, strong moral character and plans to pursue a career in Texas.*
