

TNP Primary Care & Pharmacology Update

April 26-27, 2019 | Hyatt Hill Country Resort & Spa

Texas Nurse Practitioners (TNP) invites you to participate in our 7th annual Primary Care and Pharmacology Update Conference at the Hyatt Hill Country Resort and Spa in San Antonio, Texas, April 27-28, 2019. With over 300 nurse practitioners and students in attendance, this conference offers a high quality, focused educational opportunity, with a primary focus on pharmacology. The conference awards CE's and caters to the attendance of prescribing nurse practitioners who manage and treat patients throughout the lifespan.

The Texas Nurse Practitioners primary goal is to provide education to its members. The Texas Nurse Practitioners supports that goal by providing an annual meeting with local and nationally recognized speakers on current topics pertinent to the practice of nurse practitioners in all settings. Another goal is to provide an atmosphere of professional collegiality, promoting professional growth through networking with nurse practitioners within the community.

We would like to take this opportunity to invite you to be an exhibitor for the 7th Annual Primary Care & Pharmacology Conference in San Antonio on Friday and Saturday till noon.

You are also invited to become a sponsor for a continental breakfast, lunch, speaker honorarium, or to place an ad in the Conference Program. If you have any questions regarding becoming an exhibitor, sponsor or about the conference, please contact Suzanna Rickman at suzanna@texasnp.org.

Sincerely,

Suzanna Rickman
