

Helpful Tips When Submitting Board Nomination Application

- Ensure you are in good standing with the Texas Board of Nursing.
- Ensure your membership is up to date and that you have been a due paying active member for a minimum of three years.
- Have your membership number readily available to include on your application.
- Document committees, task forces or special interest groups that you have been a part of for the past two years.
- Carefully read and answer questions fully. Tell us specifically why you would be a good fit for this committee / task force. Most of the sections have a word count.
- TNP has developed a campaign policy allowing candidates equal access to TNP members during the election process. It is important for each nominee to review and understand the policies prior to submission of application.
