

LISA BOSS

PRESIDENT-ELECT FOR THE TEXAS NURSES ASSOCIATION

2019-2020

My Past

- Born & raised in Texas, I have been a nurse & TNA member for 22 years.
- Most recent elected leadership position is TNA D9 President (2017-2018). As President, I increased membership & engagement via social media, arranged for the collaborative development of a TNA documentary to be aired on TV in May 2019, & personally fostered the development of new members.
- Currently serve on Governmental Affairs Committee & can't wait to see what we accomplish in this exciting 2019 legislative session!
- I believe nurses are the most qualified professionals in our current healthcare environment to lead change.
- My leadership approach seeks the inclusion of diverse perspectives, innovative thinking, enthusiasm, and perseverance.
- The power of change, new ideas, & collaboration drives my passion as a nurse.

Our Future

- A strong & successful future for TNA depends on Texas nurses of diverse backgrounds to come together with a loud voice!
- We can accomplish our goals together via use of innovative & focused opportunities to engage our current membership with the concurrent goal of appealing to all Texas nurses to join TNA.
- I envision innovative methods of communication that will drive passion & excitement among Texas nurses to engage with TNA to let our voice be heard about issues WE identify as important to our profession.
- My commitment as a nurse leader is to actively seek new & creative solutions to current healthcare issues, encourage & grow others, & facilitate collaboration to make positive change in the profession of nursing, healthcare, & patient safety.
- Your vote for me will support a future for Texas nurses that includes empowerment, collaboration, & innovative change.
