Call for Awards

The Texas Public Health Association is proud to offer the following awards to members who have exhibited outstanding contributions for the Association or for public health interests in Texas. Members may nominate another member who they feel meets the criteria outlined in the award description.

If you have any questions, please contact the TPHA office either by phone at (512)336-2520 or email at txpha@aol.com

Thank you for helping us to recognize deserving public health workers.

All Nomination materials must be postmarked no later than March 1 and emailed (txpha@aol.com) to:

TPHA/Awards Committee
PO Box 201540
Austin, Texas 78720-1540

Awards will be presented during the TPHA Annual Conference March 18-20, 2019 in San Antonio, Tx
Questions? call TPHA (512)336-2520 or email txpha@aol.com

Honorary Life Member: One of the greatest distinctions bestowed on a member of the Texas Public Health Association is that of Honorary Membership. Any active member may nominate a prospective candidate for Honorary Membership by writing to the Awards Committee. The following criteria are required of nominees for Honorary Membership:

• Must have been an active continuous member of TPHA for at least 20 years and must have attended ten or more annual meetings.
• Must have served the Association contributing to annual and regional meeting programs, holding office within the Association, and participating on Association committees.
• Supporting documentation such as letters from employers, individuals, public citizens or community groups, schools or colleges, or businesses; news clippings, photographs; journal articles; or other documentation pertinent to the nomination.

James E Peavy Memorial Award: The James E. Peavy Memorial Award is presented annually to the public health worker in Texas who has made significant contributions to the advancement of public health knowledge or practice or who has demonstrated a genuine concern for the health needs of society. This award is the Texas Public Health Association’s highest accolade for outstanding health professionals; it consists of a $500.00 honorarium and plaque. The award serves as a living memorial to James E. Peavy, M.D., who served as Commissioner of Health in Texas from 1959 until his retirement in 1975. Dr. Peavy was an active member of the Texas Public Health Association for 39 years and was made an Honorary Member in 1969.

The following criteria are required of all nominations:

• A 250-word (or less) description of why the nominee is deserving of this award. Descriptions should be concise and specific and should demonstrate the nominee’s work over and above job requirement.
• A one-page biographical sketch (or vita) of the nominee and a 4 x 5 glossy, black & white photograph of the nominee.
• No more than 10 pages of supporting documentation such as letters from employers, individuals, public citizen or community groups, schools or colleges, or businesses; news clippings; photographs; journal articles; or other documentation pertinent to the nomination.
• The nominee must be a member of TPHA. Nomination may be made by nominee or a sponsor. If nominated by a sponsor, sponsor must be a TPHA member and sponsor’s name must accompany the nomination.
Legislator of the Year Award for Legislative Excellence: This award may be presented to both a state representative and state senator who has shown special interest in public health issues. Any active TPHA member may nominate a candidate for these awards.

The following guidelines have been established for nominees of these awards; nominees must have:

- Demonstrated an interest in public health issues.
- Shown a concern for the recruitment and retention of high-quality health care workers.
- Supported legislation which emphasized prevention and health promotion.
- Facilitated legislation supporting preventive health care, health care professionals, and options of health care.

Dr. Ron J. Anderson Thinking Progressively for Health Award: This award was renamed to honor the late Dr. Ron J. Anderson and the innovative ideas and practices he established for the public health profession. The award rewards excellence and innovation in current public health practice across the state of Texas.

Award Criteria:

Nominees should clearly demonstrate:

1. Improvement or increase in
   - Efficiency
   - Productivity
   - Cost-Savings
   - Extraordinary achievement of health and well-being goals (individual or community)

2. Originality
   - Is this a new idea, or a modernized redesign of an established concept?
   - Is it unique to the agency where it was established?
   - Is it unique to the field of public health?
   - Is it “ahead of its time”?

3. Impact
   - Will it make or has it made fundamental changes in public health practice/delivery?
   - How will it impact the community it is being implemented in?

4. Measurability
   - The impact of the project is measurable (i.e. number of beneficiaries, assessment of attitude or behavioral changes, clear policy changes, etc.

5. Applicability
   - Can it be generalized to the greater public health profession?
   - Could it lead to changes in how public health practices/processes are carried out?

For more information and for the nomination form go to: https://www.texaspha.org/page/Awards
**TPHA Public Health Photo Contest**

To celebrate National Public Health Week in 2019, the Texas Public Health Association will be holding a photo competition. TPHA members are encouraged to capture the meaning of public health in a photograph.

**Competition Requirements:**

- The photograph must have been taken by and submitted by a TPHA member.
- The photograph should be taken in 2018 or 2019.
- The TPHA member must agree that TPHA can use the photograph on TPHA materials such as our website, journal, and other items prepared by or for TPHA.

**Submission Requirements:**

- Photographs must be submitted no later than 3/1/2019.
- No more than two photographs may be submitted per TPHA member.
- The photograph should be in jpeg or another format compatible with our website.
- The photograph should be emailed to txpha@aol.com.
- Include a brief paragraph describing the public health significance of the photograph.

A panel consisting of TPHA members and one guest judge will select the winner. The winner will be announced at the beginning of National Public Health Week 2019 and their photo will be highlighted on the TPHA website. The winner will also receive a complimentary membership (or membership renewal) to TPHA for 1 year.

**Call to Leadership**

**TPHA Governing Council**

The Texas Public Health Association is looking for dynamic new LEADERS and we need your help! We are looking for TPHA member volunteers to run for and, if elected, serve in the following positions: Governing Council (3 three-year positions available). Become a voice for public health in Texas. Harness the energy of public health advocacy-run for Governing Council!

GOVERNING COUNCIL-4.01. There shall be a Governing Council which shall consist of the officers of the Association; the Executive Board; nine (9) members to be elected from the membership consistent with Article Two for three (3) year terms that are staggered so that one-third (1/3) retire each year; the Chair of each Section; one (1) representative to be appointed by each affiliated society; and the affiliate representative to the Governing Council of the American Public Health Association Such representatives to Governing Council shall be members of the Association.

4.01.1. The President of the Association shall serve as Chair of the Governing Council.

4.02. The terms of the Governing Council members shall begin at the close of the annual meeting at which they are elected and terminate at the close of the annual meeting at which their respective terms expire.

Nominees will be asked to submit a short biography. These documents will become part of the association records. Elections will be held and results announced at the TPHA Annual Education Conference in San Antonio, Texas.
To nominate someone (or yourself), obtain their permission to be placed on the ballot then submit their name and contact information prior to February 20th to: Terri Pali TxPHA@aol.com

**TPHA Policy and Advocacy Committee Chair**

The Texas Public Health Association is looking for a member who is interested in serving as chair of the Policy and Advocacy Committee. The Chair of the Committee shall be approved by the Executive Board in the absence of Governing Council. Membership of the Committee shall include the President-elect of the Association, and others as designated by the Executive Board in the absence of the Governing Council.

The Committee on Policy and Advocacy duties shall include, but not be limited to actively solicit ideas and proposed resolutions from the membership, policy statements from the Governing Council, and maintain records of resolutions and policy statements in order to assist the governing bodies of the Association in determining the policies of the Association. Additional duties include coordinating legislative functions for the Annual and Regional Meetings; tracking legislation that may impact TPHA and public health; tracking policy issues and developments; liaison with other public health and local policy committees and groups; development of government affairs plan; policy forum planning; provide information to TPHA members on impending policy issues and recommending policy direction to Governing Council; monitoring State and national policy events and developments; educating elected officials and the public on matters of public health interest; and building coalitions with other health-related organizations. Other duties shall include making recommendations to the Governing Council concerning proposed resolutions and policy statements.

**TPHA Membership Recruitment, Engagement and Development**

The Texas Public Health Association is looking for a member who is interested in serving as chair of the Membership Recruitment, Engagement and Development Committee. The Chair of the Committee shall be approved by the Executive Board in the absence of Governing Council. Membership of the Committee shall include the President-elect of the Association, and others as designated by the Executive Board in the absence of the Governing Council.

The Committee on Membership Recruitment, Engagement, and Development shall review recruitment and retention of members, investigate and recommend to the Association’s governing bodies items related to member benefits; coordinate the Association’s internal training activities including, but not limited to, leadership training, member orientation, officer’s training, disseminate information of public health interest to the public and to members of the Association; promote careers in public health through education, and recommend plans for marketing the Association. The committee shall also recommend a slate of officers to the Governing Council at the fall quarterly meeting. Additional names may be submitted from the floor. Additional duties include actively seeking scholarship applicants, review applications, and make recommendations to the governing bodies of the Association as concerns the granting of scholarships. The committee shall disseminate information of public health interest to the public and to members of the Association; promote careers in public health through education and coordinate the Association’s internal training activities including, but not limited to, leadership training, member orientation, officer’s training, member orientation.

Please consider this very important challenge to become a leader in TPHA!
**TPHA Mentoring Program**

In an effort to develop the Texas public health workforce, the Texas Public Health Association (TPHA) would like to implement a mentorship program called TPHA Mentoring Program. In its simplest form, mentoring allows people to help other people grow and develop.

The TPHA Mentoring Program will match experienced public health professional with students, new public health professionals, and experienced public health professional who want to learn about a different public health area in a one-to-one relationship for one year. Those who serve as mentors will enrich their experience in the public health field while helping to grow and develop future leaders.

Please direct any questions or requests for additional information to txpha@aol.com or to volunteer complete the mentor application at https://www.texaspha.org/page/MentoringProgram

Thanks for your interest in the TPHA Mentoring Program!

---

**Silent Auction Donations**

TPHA will host a silent Auction this year in conjunction with the annual education conference (AEC) to be held at the Henry B. González Convention Center, San Antonio, March 18-20, 2019. Silent Auctions can be so much fun and are a great way to earn money for YOUR organization.

Be creative when you are thinking about what to bring. Put your items in a basket or container with a pretty bow. I have included some ideas for baskets below. The sky really is the limit. For a copy of the donation form click here.

For more information contact Terri Pali txpha@aol.com

For those of you not attending the AEC please mail your donation to:

TPHA
PO BOX 201540
AUSTIN, TX 78720-1540
(for street address please contact Terri at (512)336-2520)

*Please mail to arrive no later than March 1, 2019.*

**Need ideas? Look no further....**
Section News

New Section - VISION CARE

The TPHA Governing Council approved a request to start a Vision Care Section. The mission of the vision care section is to promote public health education about eye health and eye safety, the importance of healthy living with a focus on preservation of sight and to advance vision related public health policies to improve access to vision care through advocacy and awareness. The section provides a platform for leaders across the state of Texas to focus on public health vision related education, eye safety initiatives, advocacy and the advancement and sharing of knowledge with local communities and public health professionals. Thank you to the following members who were instrumental in the creation of this new section: Pat Segu, Bhagya Segu, Sima Mozdbar, Valerie Baca, Jennifer Butler, Christina Ngo, Melissa Silverio, Kathleen Murphy, Andrew Kemp, Zahraa Majeed, Marissa Gomez, Britttney Jimenez, Sandra Rajan, Veronica Mendez, Susana Moreno, Rebekah Montes, Janet Garza, Jessica Rengal, Christina Klein, Lindsey Bank, Debra Clark, Aaron Wong, Mylan Nguyen, Pegah Mozdbar, Jennifer Deakins, Subhash Aryal, Thomas Yorio, Abe Clark, Heather Patrick, Erin Ellisor.

Join the TPHA Epi Section!

Benefits of Epi Section Membership include:

- Opportunities to network with epidemiology professionals that have diverse skill-sets, interests, and experiences
- Section participation in a new mentoring program
- Professional development opportunities and job postings
- A membership database that contains a comprehensive list of members of the TPHA Epi Section
- A monthly or bi-monthly List of Open Events (includes notices of forthcoming conferences, webinars, and other activities of interest to epidemiologists)
- Access to the Epi Section Newsletter which features:
  a. Member Spotlights that highlight Epi Section members and their achievements
  b. Information on scholarships for conferences, training courses, etc.
  c. Notification of job vacancies
  d. Short Stories and Lessons from the Field that allow epidemiologists to share practical on-the-job experiences as well as lessons learned

Contact epidemiology.tpha@gmail.com for more details.
TPHA 2018 Survey Results

You may recall that in 2018 TPHA leadership sent out a short survey to all members to get an idea of the issues that are a priority to our organization.

We had 109 members respond to this very brief survey (2 question). The top 5 priority areas were as follows:

- Nutrition, Physical Activity and Obesity 45%
- Mental Health 42%
- Health Equity / Health Disparities 39%
- Chronic Disease 36%
- Gun Violence 34%

Additional issues included Maternal and Child Health (28%), Social Determinants of Health (286%), Access to Healthcare (27%), Substance Abuse (25%), Racism and Health (15%), Injury and Violence Prevention (13%), Heart Disease and Stroke (13%), Climate Change (13%), Tobacco Use (12%), Immunization (12%), Environmental Health (11%), Healthy Community Design (11%), Cancer 10%, HIV/AIDS/STDs (10%) and a number of other issues which were prioritized by less than 10% of the respondents (details on all this information is included in the attached results).

The second question on the survey asked respondents to identify public health issues not on the list provided in the survey. As per the attached, members identified a number of other issues including child drownings, oral health, health impact of adverse childhood experiences, workforce shortages, antibiotic resistance, dental health, distracted driving, scientific critique of DSHS information on abortion, water fluoridation, integration of statewide programs, social justice, jurisdictional turf-cutting among LHDs, family disintegration and LGBT issues.

Results of this survey will be used to prioritize initiatives by the TPHA as well as to provide organizational input on statewide priorities when requested by state or national affiliates. It is, therefore, important that each member respond to these surveys!

One of the aims of TPHA is to represent the concerns and priorities of its membership...we cannot do this without your input into surveys like this. In recognition of the constraints on everyone’s time, we will always keep the surveys as short as possible. However, brevity does not imply a lack of importance, so we hope you will all take a few minutes to answer the next survey. Feedback from all TPHA members is important as it shapes not only TPHA priorities but those of the state or APHA, as well. For example, the results of this survey will be used to prioritize initiatives by the TPHA as well as to provide our organizational input to DSHS as they identify public health priorities for the state.

Thank you!

The TPHA offices are moving! The TPHA Executive Director will be moving to the Longview, Tx area and will be relocating the offices as well. Watch your email for updates to include new mailing address and phone numbers.

All contact information will remain the same until March 31, 2019.
