

City Floodplain Management Excellence Award Nomination Form

This award is for a City that has shown excellence in the field of floodplain management. This City has demonstrated achievements in reducing flood losses and preventing loss of life through administration of its floodplain management program. In addition, the City has gone beyond the typical program and encourage citizen interest and action to minimize the impact of flooding.

The nominee should be a City that has shown excellence in the field of floodplain management beyond the staff-led program.

The nominee must employ a Full or Life Member of TFMA. Nominations shall be received by the Executive Office and will be forwarded to the Awards Committee. The committee will make recommendations to the Executive Board where the awardee will be selected.
