About this event

Sessions will include how to approach the neurological patient, practical advice on the structure of neurological training and how to enter the speciality.

The afternoon will conclude with an award presentation for best poster/ platform.

Abstracts

Students are invited to submit an abstract of clinical or scientific content on neurology and the top abstracts will be chosen for poster or platform presentation. Abstracts should not exceed 200 words plus 60 words for title. Full details via ABN website - <https://www.theabn.org/events>.

Abstracts open for submission from Mon 5 August, deadline Tues 1 October 2019

Registration

Online registration opens on Mon 5 August via <https://www.theabn.org/events>.

The event is free to undergraduate medical students; however, a deposit of £30 will be taken to secure your place. Attendees will receive a full refund. If you do not attend the £30 will be non-refundable.
