

Not receiving emails from The Beryl Institute?

Here are some steps to make sure you receive our emails.

1. Make sure that we have your correct email address. Confirm that we have your correct email address by logging into your membership and reviewing your member profile. Not a member? You can reach out to us at info@theberylinstitute.org.
2. Add our email address to your address book or trusted sender list. Our emails come from info@theberylinstitute.org.
3. If after the first two steps you are not receiving our emails, you will need to contact your IT Department and ask them to whitelist our email account. Provide them with the following information:

Sending domain: e2ma.net

IP Range: 139.60.0.0/22

If you have any questions, please contact us at info@theberylinstitute.org.
