WE ARE THE CHAMPIONS

Celebrating Our Associates at Ascension Borgess Hospital
National Patient Experience Week April 22-26, 2019
In celebration of National Patient Experience Week at Ascension Borgess Hospital, we invited our amazing associates to share their personal commitment to improving patient and family member experience while in our care. This presentation is to honor their efforts and commitment to care excellence.
Cardiac Short Stay
“The response from nurses is always the same...increased kindness, augmented faith and infinite inspiration for the sick.”
— Sam Miller
The difference between who you are and who you want to be is what you do.
As a nurse, we have the opportunity to heal the heart, mind, soul and body of our patients, their families and ourselves. They may not remember your name but they will never forget the way you made them feel.

— Maya Angelou —
If you don't believe in miracles perhaps you've forgotten you are one.
GN Birthing Center
Never worry about numbers.
Help one person at a time,
and always start
with the person
nearest you.

FN Observation
Coming together is a beginning, staying together is progress, and working together is success.

- Henry Ford
The nurse is temporarily the consciousness of the unconscious, the love of life of the suicidal, the leg of the amputee, the eyes of the newly blind, a means of locomotion for the newborn, knowledge and confidence for the young mother, a voice for those too weak to speak, and so on.

— Virginia Henderson —
A team is many hands & one mind.

Many Dedicated Staff Not Pictured
Many of our associates are not captured in these photos due to their focus on excellent patient care. They were fulfilling our patient’s and family member’s experience. We thank each and every one of them for their dedication to safe, high-quality care.
Ascension Health Mission

Rooted in the loving ministry of Jesus as healer, we commit ourselves to serving all persons with special attention to those who are poor and vulnerable.

Our Catholic health ministry is dedicated to spiritually centered, holistic care which sustains and improves the health of individuals and communities.

We are advocates for a compassionate and just society through our actions and our words.
Genuine thanks for providing safe, high-quality care for our patients and family members.
