2019 Prospectus
Therio Conference
Sponsorship, Exhibition, & Advertising Opportunities
Dear Exhibit/Events Manager:

The Society for Theriogenology (SFT), the American College of Theriogenologists (ACT) and the Theriogenology Foundation (TF) would like to invite you to experience our conference, have fun and build long-lasting relationships with our attendees.

We know that your time and marketing dollars are valuable so we maximize your exposure to the attendees by planning great events in the Exhibit Hall. Breakfast, lunch and breaks are in the Exhibit Hall on Friday and Saturday. This year, we will also have the Exhibit Hall Opening Reception on Thursday evening.

The 2019 Exhibit Hall will be located in the Grand Ballroom CDEF at the Westin Savannah Harbor Golf Resort & Spa. Move-in may begin at 12 p.m. on Thursday, July 25, 2019 and should be completed by 4 p.m. Please note complete exhibit hours below:

Exhibit Hall Hours:
- Thursday, July 25: 5 p.m. to 8 p.m.
- Friday, July 26: 7 a.m. to 4:30 p.m.
- Saturday, July 27: 7 a.m. to 1:30 p.m.

The cost of exhibiting at the Therio Conference is more economical than many meetings because we charge one flat rate. The exhibits will be 8 ft. x 10 ft. booths. The booth setup includes an 8 ft. tall backdrop and 3 ft. tall sides (pipe & drape) with a skirted table, two chairs, an identification sign, wastebasket, plus breakfast and lunch. Please note, the Exhibit Hall is carpeted, so you do not need to order carpet.

In addition to securing an exhibit booth, we invite you to take advantage of the many sponsorship opportunities that are available to choose from. The higher your level of sponsorship, the more recognition you will receive. You will receive a complimentary exhibit booth with a sponsorship of $5,000 or greater. Sponsorship opportunities are listed on the online registration form and in this prospectus for your review. For even more company exposure, consider advertising in our Therio Conference program.

To be assured that your name will appear in the printed program and any pre-convention advertising, please complete the online registration and/or sponsorship form no later than February 15, 2019. Register online or complete the application and email to: TherioConference@franzmgt.com or FAX 334.270.3399.

We encourage our exhibitors to participate in any or all of the extra events. Please consider donating an item or experience to the Theriogenology Foundation Live or Silent Auction, purchasing event tickets to benefit the Foundation and tickets for the Therio Awards Dinner and Live Auction to be held on Friday night.

The conference hotel is the Westin Savannah Harbor Golf Resort & Spa. Reservations can be made at the group rate by calling: 1.800.228.3000 and mentioning the group name “Society for Theriogenology” or following the hotel link on the conference website at www.therio.org.

Group rates are available until June 17 or until the room block is sold out.

We look forward to having your company with us at our 2019 Therio Conference. Your continued support is deeply appreciated!

Sincerely,

Tara Beasley

2019 Sponsorship, Exhibition and Advertising Opportunities

The Therio Conference is just a few months away, so we want to take this opportunity to communicate some of the opportunities to put your company in front of a specialized group of veterinarians. By sponsoring Therio Conference events, you show your support for the Society for Theriogenology, the American College of Theriogenologists and the Theriogenology Foundation to secure the best educational programming for our conference while providing sessions, entertainment and social opportunities that allow attendees to interact and network with each other and you!

Exhibiting and sponsorship of our conference is a great way to show your support and to reach active veterinarians, students, technicians and educators to share your company message. Use the form provided in this prospectus or visit www.therio.org to submit your commitment for this year’s Therio Conference. Your registration form must be received and signed before sponsorship can be acknowledged. Exhibit confirmation will be sent on approved contracts and will include additional event information.

The design and production of Therio Conference activities shall be the ultimate responsibility of the SFT. The commercial supporter shall not control the planning, content or execution of the CE activity.

Event Sponsorship/Exhibition Recognition

Event sponsorship is a great way to get exposure. All sponsors and exhibitors will be recognized on signage at the meeting, listed in the meeting program, acknowledged at the event, and highlighted in the quarterly journal, Clinical Theriogenology. In addition, SFT will recognize sponsors and exhibitors on the Therio Conference website, in broadcast emails promoting the Conference, and in the Therio Conference promotional brochure mailed out to SFT and ACT members, and to veterinarians in states surrounding the conference location. Sponsorship packages are detailed in this prospectus.

Event Sponsorship/Exhibition Opportunities

Sponsorship opportunities for the 2019 Therio Conference are included on the following pages and are available on a first-come-first-served basis. If you wish to be the exclusive sponsor of a certain event, please let us know. The sponsor event cost is based on costs from previous years. SFT is willing to work with you on sponsorships that meet your specific company needs. All exhibitors will have a company description listed in the conference program. Sponsor logos will be displayed in the program on a sponsor recognition page. There are numerous opportunities for you to reach Therio Conference attendees, so review the sponsor options and find the one that suits your company best.

Advertising Opportunities

Conference program advertising is another opportunity to promote your company and reach your target audience. Conference attendance was excellent in 2018, with 475 total attendees for the Therio Conference, Bovine Symposium and Dry Lab and Student Wet Lab. This year we will be offering a pre-conference Small Animal Symposium Wednesday and we expect another great year of Therio Conference attendance. The Conference program is an excellent opportunity to put your message directly in the hands of all Conference attendees. Advertising rates and additional information is listed in this prospectus and available on the conference website.
