

## David E. Bartlett Award for Lifetime Achievement in Theriogenology Nominations Sought

Nominations are now being sought for the 2014 David E. Bartlett Award for Lifetime Achievement in Theriogenology, presented annually to a distinguished individual who has made important contributions to the field of theriogenology.

The award-intended to cement the efforts of the Society and College toward common goals in animal reproduction, to reward and inspire excellence, improve the visibility of theriogenology, and to annually recognize the efforts of the founders-particularly honors Dr. David E. Bartlett, first president of the College. Among his many accomplishments, Dr. Bartlett was responsible for deriving the terms "Theriogenology" and "Theriogenologists," and was instrumental in gaining hard-won AVMA recognition for the American College of Theriogenologists in 1971.

The 2014 David E. Bartlett Award for Lifetime Achievement in Theriogenology will be presented during the Annual Conference in Portland, OR, August 5-9. The recipient will be notified in advance, allowing family and friends to be on hand. The honoree will address those in attendance and will have the option of submitting a contribution to the conference proceedings. The honoree will receive \$1,000 cash, an engraved statue of Nandi, and complimentary registration, hotel accommodations and transportation to the 2014 conference.

Please submit the accompanying Preliminary Entry Form and nominate an individual to add to the list of preeminent recipients. Entry forms must be received no later than January 3, 2014

### 2014 David E. Bartlett Award for Lifetime Achievement in Theriogenology Preliminary Entry Form

Sponsored by the Theriogenology Foundation

In cooperation with the Society for Theriogenology & American College of Theriogenologists
