WPA 2020 Annual Conference
March 5-7, 2020
The Edgewater, Madison WI

ATTENDEE REGISTRATION
Register online at www.TheWPA.org

Jointly provided by the American Psychiatric Association and the Wisconsin Psychiatric Association
COURSE DESCRIPTION
This conference is designed to increase clinicians’ knowledge and understanding of autism spectrum disorder in order to better identify, understand and assist patients and families with ASD.

LEARNING OBJECTIVES
- Analyze the presence of various psychiatric disorders in individuals with autism spectrum disorder and corresponding treatments
- Discuss the clinical applicability of the latest advances in autism treatment
- Provide clinical guidance on the latest pharmaco- and behavioral therapies for autism spectrum disorder

CONFERENCE HANDOUTS
Conference handouts will be available electronically approximately one week prior to the conference. Attendees will have the option to review, download and/or print the materials in advance. No printed session handouts will be available on site.

CME ACCREDITATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American Psychiatric Association (APA) and Wisconsin Psychiatric Association (WPA). The APA is accredited by the ACCME to provide continuing medical education for physicians.

DESIGNATION
The American Psychiatric Association designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

EVALUATION & CLAIMING CREDIT
At the conclusion of this activity, participants will be provided with a link to use the APA’s Learning Management System (LMS) in order to complete an evaluation and claim credit. After completing the program evaluation, attendees have 60 days to complete the evaluation and print their certificates.

TARGET AUDIENCE
This activity is designed for psychiatrists, behavioral health providers, primary care providers, residents and medical students.
