

National Tile Contractors Association TILE SETTER CRAFTSPERSON OF THE YEAR AWARD

Introducing the inaugural NTCA Tile Setter Craftsperson of the Year Award

Tile can be a beautiful and lasting statement when it is in the hands of a true craftsperson. For the first time ever, NTCA has created an award to celebrate those in the field utilizing their in-depth knowledge of tile methods and standards and exhibiting dedication to and artistic execution of our craft.

The NTCA Tile Setter Craftsperson of the Year award will recognize a NTCA member who has proven to be invaluable in the field due to their outstanding installations, is passionate and actively engaged in continual self-improvement, leads and/or mentors others, and is devoted to the art of setting tile. If you know of someone who meets this criteria, please send in a nomination. The award recipient will win a trip to Total Solutions Plus 2019 in Nashville, TN, where the award will be presented.
