The ALA/TLA Student Chapter has been quite active this year, with attendance from five to fifteen members at the following online chapter meetings:

- August 24 – student mixer
- September 14 – Teresa Walker (UTK Libraries new website and search features)
- October 12 – Jennifer May (getting a leg up on a school library job)
- November 9 – Melanie Allen (working at a small academic library)
- January 25 – Kenny Whitebloom (DPLA)
- March 1 – Lisette Hernandez & Jamie Campbell (ALA midwinter report)
- March 8 – Chris Eaker (UTK Data Curation librarian)
- April 12 – Sarah Fesmire (ePortfolio), & Ashley Maynor (comps) [Sarah McClung (thesis) didn’t make it]

We also held a very successful mixer on campus on November 7, which allowed the on-campus students to ask questions and experiment with Blackboard Collaborate before beginning Blackboard classes Spring semester.

Over the course of the year, we lost our tech secretary and our vice president to excessive responsibilities. Our secretary, Lisette Hernandez, has stepped in to set up our Blackboard sessions, and Dwight Hunter has assumed responsibility for vice president.

At our April 12 meeting, we elected the following officers to serve during the 2015-16 year:

- Co-presidents: Dwight Hunter and Nicole Wood
- Tech secretary: Erika Long
- Treasurer: Paul Lemieux III

Respectfully submitted,

Elizabeth G. Wilson
Co-president, ALA/TLA Student Chapter
