School Libraries Section Board Report for April 2015 Meeting

The School Libraries Section will be hosting its annual business meeting on Thursday, April 23rd from 4:10-5:00 in TN Grand Ballroom C.

A recently convened Tenn-Share Committee, called the KEP (K-12 E-Book Project), is working to bring a collection of e-books to all school libraries in Tennessee. They are currently working on preliminary research to determine what types of resources would be most useful and appropriate for this collection. Currently, the members of this committee are trying to circulate a survey to school librarians working in the state of TN to gather information and ideas. Please share this survey with any school librarians that you know, if you haven’t already. Here is some further information that can be forwarded along to school librarians who wish to contribute their opinion:

Tenn-Share K-12 E-book Project -- Share Your Thoughts

Tenn-Share is working hard to create a collection of e-books for K-12 schools throughout the state--but we want you to help us build it! Please take a moment to complete the short survey below. Not only will you be ensuring the value and quality of the e-book collection, but as a thank you for taking the survey you will be entered into a drawing for a $25 Barnes and Noble gift card.

Click Here to Take the K-12 E-book Project Survey

If you have any questions about the project, you may contact Jeanine Akers at jakers@stmarysschool.org
