The Tennsco Grant for Public Library Advancement has been open and will close on November 25th. The Public Library Section will review applications and notify the recipient by January 5th.

Jill Rael submitted a pre-conference program idea entitled “Emergency Response Training” sponsored by the Public Library Section featuring James Williams from the TN Bureau of Investigation Training Division designed to prepare public librarians for active shooter and other emergency situations within the library.

Respectfully, Ari Baker abaker@blounttn.org
