ALA Chapter Councilor Report  
September 12, 2022

ALA Annual  
ALA Annual was back in person for the first time since the pandemic. While attendance was lower than previous years, the association exceeded the anticipated number of registrants. Over 14,000 people attended the hybrid conference.

ALA Governance  
The vote from a resolution submitted resulted in discontinuing Council Forums. The first vote to rescind the Constitution and Bylaws passed. A second took place in August. A final vote will go to membership.

Nominations for the 2023 election are being solicited. The Nominating Committee is seeking candidates for president-elect and councilor-at-large. Interested members should complete the candidate bio form. https://officers.directnominations.net/Account/Login?ReturnUrl=%2F
