

Archives and History

June 2016 Board Report

This will be the last board meeting with Trent Hanner as chair of the Archives and History Committee. Trent looks forward to meeting the new chair at the annual board retreat.

In lieu of no other business, the chair reminds members that the finding aid for the Association's records through 2009 can be viewed at <http://goo.gl/0qbxOt>. The original records are held at the State Library and Archives and are also on microfilm, which can be requested via interlibrary loan.

Respectfully submitted,

Trent Hanner
