

## Library Technologies Roundtable June 2016 Board Report

Jodie Gambill and Courtney Fuson, temporary co-chairs of the roundtable, called for nominations to run for Chair and Chair-Elect for the 2016/17 year. We are happy to announce the results of the election:

**Chair:** Nancy Gibson, Distance Education Librarian, Austin Peay State University

**Vice-Chair:** Kevin Robertson, Systems Administrator, Linebaugh Public Library

We look forward to a more active roundtable this year with Nancy and Kevin leading us! If the board has any suggestions for the future of the roundtable, including discussion items or possible projects, please feel free to share with Nancy and Kevin.

Respectfully submitted,

Jodie Gambill and Courtney Fuson
