

**School Libraries Section
June 2016
Board Report**

- We have no action items at this time.
- The School Libraries Section hosted its annual business meeting at the TLA annual conference on Thursday, April 7th from 8:00 AM until 8:50 AM. It was determined that Jennifer Sharp will remain Chair for the upcoming year, and Erika Long will serve as Chair-Elect.
- The School Libraries Section is working on a long-term action plan for recruiting more school librarians to join TLA and to attend our annual conference. We have several ideas that we have been working on already, but we want to hear your thoughts! If you have any ideas about how we can make school librarians more of an active presence in our organization, please send me an e-mail at jennifersharp12@icloud.com with your suggestions!

Respectfully submitted, Jennifer Sharp
