

Committee: Career Services Steering

June 6, 2016

The Career Services Steering Committee had a strong presence at the TLA Annual Conference. The Committee's program for the TLA Annual Conference was entitled "Tips and Tricks for the Library Resume." Members of the panel included Sharon Holderman, Martha Earl, Meredith Goins, Amy Kimani, and Sarah Searles. Career Services Committee members and other volunteer mentors provided assistance with resumes, cover letters, interview advice, etc. in the Holston Room on Thursday and Friday morning. Martha Earl led a session on completing a leadership development plan at the Leadership Institute preconference.

The TLA Career Center site now includes the following:

**TLA's Job Board:** [Search job opportunities](#) by keywords, location, category, and requirements. Anyone can [submit a job opening](#), even if it's not located in Tennessee. Members have special access to the [resume collection](#), which displays resumes of members who have chosen to do so in their profiles.

**TLA's Leadership Guide:** This LibGuide is related to the preconference session on leadership and has information about personality types, mentoring, networking, and additional resources.

**TLA's Professional Development Webinars:** Learn about a variety of topics including technology, leadership, cataloging, instruction, literacy, conflict, etc.

**UT Knoxville's School of Information Sciences Career Resources:** Find information about jobs in the field, career guides, a job listserv, and videos on job searching and career planning.

**ALA New Member Round Table's Resource Guide:** Connect to resources on resumes, cover letters, interviews, and job searching.

Respectfully submitted,

Sharon Holderman, Co-Chair

Martha Earl, Co-Chair

Meredith Goins

Susan Earl
