

Board Report
TLA Career Services Steering Committee
April 2016

TLA Annual Conference:

The committee's proposal for a program/panel on resumes was accepted. It will be held on Friday, April 8, at 11am in Salon 3. The first 15-ish minutes will be a presentation on resumes and the remaining time will be Q&A with a panel; panel members represent all library types.

Career services/resume reviews will be offered at the conference Thursday 8-9 and 1-5 as well as Friday 8-10 and 11-12.

Website:

There is now a splash page for the career section of the TLA website: <https://tnla.site-ym.com/?page=careercenter>. This now offers specific links to various resources. Previously it just loaded the job search page. Resources will be added in the future as they are discovered and/or developed.

The project of creating new videos as a resource has been tabled in light of upcoming conference activities and time requirements. It can be considered for inclusion in future committee plans.

Respectfully Submitted,
Career Services Steering Committee
