

## 2016April Technical Services Roundtable

TSRT has 38 members. TSRT will have a program at the TLA conference as a panel discussion scheduled for Friday, April 8<sup>th</sup> ; 8:00-8:50 am. We also have a business meeting scheduled at the conference and in anticipation of this meeting have sent out an e-mail asking for nominations for the next chair of this roundtable to assume the chair on July 1<sup>st</sup>. Hope to have suggestions by next week and then put out an inquiry for proxy votes for those members of TSRT who won't be at the conference or if at the conference but have other places they need to be. By having a vote ahead of time I hope to have enough votes in proxy or in person to have someone in place, to explain the new structure that will be discussed at the board meeting to keep TSRT informed of any changes and ask for ideas to create a program proposal for the 2017 conference in Knoxville.

Nothing else to report.

Sue Knoche; Chair, Technical Services Roundtable
