

NMRT BOARD REPORT

DECEMBER 2015

Progress has been made in planning the NMRT social event at the TLA Conference. The social will be held on Wednesday, April 6 at 5 pm at the conference hotel. The location is still tba but will either be at the lobby bar or outside on the terrace (weather dependent). We are in contact with the hotel representative and a small selection of appetizers will be ordered.

A request has been made for meeting space during the conference to conduct the annual business meeting.

NMRT is also planning a new activity for this year's conference tentatively called "lunch buddies". NMRT will partner with the local arrangements committee to select several restaurants near the conference and offer sign-ups for informal lunch dates. This is meant to be a networking opportunity for members both new and old.

Respectfully submitted,

Nicole Tekulve
