

School Libraries Section
December 15, 2015
Board Report

- We have no action items at this time.
- Nominations are currently being accepted for the 2016 Louise Meredith Award, which recognizes a School Library Media Specialist who has made unique and worthy contributions to the total school instructional program through effective unified school library media services. If you know a school librarian who deserves special recognition for their work, please submit a nomination at <http://www.tnla.org/?meredithaward>.
- The School Library Section will be having its annual business meeting at the 2016 Conference.
