

**TLA Board Report for College and University Libraries Section (CULS)
November 25, 2015**

A joint pre-conference proposal – “From Standards to Frameworks: Engaging your Imagination”- submitted by the Instruction Roundtable and CULS was accepted. One speaker has been lined up and we are are working on securing a second speaker to present a different point of view.

We will begin advertising the pre-conference in January via the listserv and social media.
