

## Committee: Honors and Awards

A motion was brought forward by the Honors and Awards Committee at the September Board meeting on behalf of the Intellectual Freedom Committee to change the wording in the Manual of Procedures information to reflect that the Intellectual Freedom Award has been renamed the Tennessee Library Association Parnassus Books Intellectual Freedom Award. An award of \$500 and a plaque will be presented to the recipient. The monetary award is supported in full by Parnassus Books, Nashville, Tennessee. The motion was passed.

The Honors and Awards Committee is now collecting nominations for the six awards for which the committee is directly responsible:

TLA Making a Difference Award

Frances Neel Cheney Award

Library Support Staff Award

Honorary Membership Award

TLA Honor Award

Trustee Award

The deadline for accepting nominations is December 31, 2015. TLA Board members are encouraged to nominate worthy candidates for these awards, and to spread the word as widely as possible!

Respectfully submitted,

Valarie Adams and Margaret Brown
