

TLA Scholarship Committee

The deadline for the Gleaves Scholarship is December 7. The information about the scholarships were sent out to all schools with the appropriate accreditations. The information about the scholarship has been posted on the TLA Listserv. The winner will be selected on or before December 18, 2015. Information about the Internship Program will become available after the first of the year.

Future Consideration:

MTLA left the Scholarship Committee around \$600 dollars. The committee is investigating various ways to use this allotted amount. Members of the committee have discussed the possibility of making book bags. This is not an action item at this time. We will be exploring more alternatives at the first of the New Year.
