2018 WINTER MARKET

Why Exhibit at the 2018 Winter Market?

You spoke, we listened! TNNA has turned the Winter Trade Show into a Market that includes two room suites and traditional booth spaces at the Embassy Suites in Las Vegas. An easy-to-access city with lots to do makes this the ideal location for the TNNA 2018 Winter Market.

Ways to Exhibit

Two-Room Suites offer the unique option to make your own mini shop with an ambiance all your own. Create an experience for attendees by converting your front room into a boutique that plays music, offers treats, and a comfortable setting where they can learn about items in your shop. Get creative with the window display and make it a must-see attraction. Your second room is where the sleeping quarters are located. You have the option to open this space up for an even larger shop or keep the door closed to attendees.

Traditional 8'x10' booth spaces are available in limited quantities in the hotel's ballroom. Limit of two (2) booths per exhibitor.

Important Note: Space is limited for 2018 Winter Market. Booths are available to member exhibitors through a priority points system and then on a first-come first-serve basis after space selection on September 24, 2017. Do NOT delay: **Reserve and pay for your space now.**
