NPO “Know & Grow” Luncheon

Date: *September 17, 2019*

Topic: *NEW! Revenue Recognition Standards*

These standards became effective for NPOs with fiscal years beginning after 12/15/2018. So the time is NOW! Are you recognizing your grants correctly?

The NPO “Know & Grow” luncheons will be ongoing, each highlighting specific topics tailored to the nonprofit industry. You will have the opportunity to expand your knowledge through exploring the topics presented, as well as through networking with the other NPO leaders in attendance.
