All advertisements must conform to the ethical standards and policies of the American Physical Therapy Association (APTA) and the Tennessee Physical Therapy Association (TPTA). The TPTA reserves the right to decline any advertisement submitted for publication on the TPTA website, in Volunteer Voice, or in any other TPTA publication, production, or presentation.

**PLEASE NOTE:**

**APTA is opposed, as a matter of health care policy, to arrangements under which sources of referral (including physicians) stand to profit from referring patients for physical therapy. The policy, adopted by the House of Delegates, states: The American Physical Therapy Association opposes... participation in services that is in any way linked to the financial gain of the referral source." Financial considerations in Practice (HOD 06-99-13-17).**

**Because of this policy, TPTA does not provide mailing labels to a practice if any physician has a financial interest in the practice and refers patients to an employed physical therapist or to a physical therapist who supervises an employed physical therapist assistant. To complete your submission, you must make the following certification by checking the "I agree" box below:**

**"I certify that no referral source (including any referring physician) has a financial interest in the practice that has the position that is the subject of this advertisement."**
