

THE STEVEN R. HALL, MD TRAUMA SYMPOSIUM

Current Trends in Trauma and Acute Critical Care Surgery

October 2-4, 2019

Big Cedar Lodge, Ridgedale, Missouri

ALL NEW HANDS-ON SKILLS OPPORTUNITIES AND OPENING RECEPTION DINNER!

CURRENT TRENDS IN TRAUMA AND ACUTE CRITICAL CARE SURGERY

The Steven R. Hall, MD Trauma Symposium delivers the most current information on trauma and emergency care, research standards and clinical practices. Designed to improve the quality of trauma and emergency care, the conference offers education for physicians, nurses, pre-hospital and others caring for trauma patients.

Presentations cover topics that include:

- Pediatric Trauma
- Rural Trauma
- Ortho Trauma
- Geriatric Trauma
- Ethical Issues
- Acute Care Surgery
- And More

EXPERT PANELS

Leading trauma surgeons and medical directors from Level 1 trauma centers in Missouri will moderate interactive expert panels that discuss spectacular cases in trauma.
