

# An All-Hazards Approach to Disaster Planning & Response for Acute Care Health Providers

**Date:** April 8, 2022

**Time:** 08:00 – 17:00hrs

**Location:** Online via Microsoft Teams

**Course Fee:** \$100.00

The Kaiser Permanente Vacaville Medical Center's Department of Trauma is excited to offer Disaster Management & Emergency Preparedness (DMEP), a live 1-day course that is both didactic and interactive. DMEP addresses the core competencies of disaster and mass casualty management according to the American College of Surgeons Committee on Trauma (ACS-COT) and focuses on the hospital-based healthcare provider perspective.

## **Course Objectives:**

- Recognize the surgical problems, injury patterns, and issues that may result from disasters
- Discuss the role that acute care providers and hospital staff can play in planning for a response to mass casualty incidents and disasters
- Explain the terms and concepts of incident command
- Describe the principles and challenges of disaster triage
- Identify the civilian and military assets available for support

**Accreditation:** The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**CME Credit:** The American College of Surgeons designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. \*Category 1 Continuing Medical Education credit is acceptable for meeting RN continuing education requirements.
