Building an Effective Intimate Partner Violence Examiner Program

PRESENTED BY: Priscilla M. Simms-Roberson, DNP, APRN, NP-C, SANE-A and Christine N. Foote-Lucero, MSN, RN, CEN, SANE-A, SANE-P

Monday, January 27, 2020
1:00pm - 2:30pm (Eastern)

This webinar will discuss the initial steps to develop and implement a successful and effective intimate partner violence examiner program. The presentation will provide an overview of essential components that should be included in the IPV exam and explanation of assessment methods. Understanding the nature and impact of IPV and strangulation is vital to patient care. The development and implementation of an IPV examiner program in a community can expand the healthcare and forensic services available to victims of IPV.
