Decisions made in Austin and Washington have a dramatic impact on how we do business in the water and wastewater industry. Each year, the Texas Legislature and U.S. Congress vote on legislation affecting regulatory issues, funding for rural water programs and other environmental initiatives. Because of the importance of the political system to our operations, it is crucial that Texas Rural Water has a voice in the decision-making process.

The Texas Rural Water Political Action Committee (PAC) is an individual-supported PAC dedicated to supporting elected officials at the state and federal level who are in key positions and who champion the issues that matter to rural water systems in Texas. By contributing to the Texas Rural Water PAC, you are making a difference!

The Texas Rural Water PAC offers three levels of sponsorship, which are outlined below.

Sponsors at all three levels will get recognition in TRWA's magazine, *Quench*, and will get special recognition at RuralWaterCon in March. Those who contribute by March 11, 2020 will also be printed in the RuralWaterCon official program.

Gold-level Sponsors (individual contribution of \$300 or more) will receive a TRWA embossed padfolio.

Silver-level Sponsors (individual contribution of \$200 to \$299) will receive a TRWA-branded roll-up picnic blanket with carrying strap.

Bronze-level Sponsors (individual contribution of \$50 to \$199) will receive a TRWA-branded travel portable conversion plug with 4 USB ports.
