Print Advertising

QUENCH MAGAZINE

Quench is TRWA's official trade publication, which has a loyal reader base of a wide variety of rural water/wastewater industry professionals. *Quench* is distributed to all TRWA utility members, including their employees and their board members, as well as TRWA associate members and certain non-members. Complimentary copies are also made available at TRWA-sponsored events. With a total print circulation of over 4,500 and a digital publication that is a benefit extended to all TRWA individual members, the magazine is an excellent medium for your company's advertising.

Quench is published six times annually on a bimonthly schedule. Advertising rates below reflect placement in **one issue** of the magazine. Commit to six consecutive ads in our magazine to receive the following discounts on advertising: 10 percent off for six consecutive black and white advertisements, or 20 percent off for six consecutive color advertisements. Contact meetings@trwa.org for more details on sponsorships. Please refer to the schedule in this guide for details on space reservation and artwork deadlines.

Digital Advertising

TRWA offers digital advertising on both our website and eNewsletter platforms. Sales and production of this advertising is handled through [The Association Partner](#), which also runs our Digital Ad Retargeting Program. For more information on what is being offered at various times throughout the year and on current rates, or to purchase ads in these mediums, we encourage you to contact them at advertise@theassociationpartner.com.

WEBSITE ADVERTISING

Our website averages 4,000 unique visitors and 37,000 page views monthly, and tops 7,500 visits and 50,000 page views during peak months. The majority of our website visitors are employees of our members seeking resources to help better inform their business operations. For more information, contact advertise@theassociationpartner.com.

ENEWSLETTER ADVERTISING

Our eNews consolidates Association news and industry updates in a clean, appealing format, and drives web traffic. This weekly digital publication is received by approximately 2,100 email contacts.

We also produce a weekly Training e-newsletter, which keeps members and other professionals throughout the state updated on our classroom and online training calendar and other educational opportunities offered by TRWA and other state and federal entities. This weekly publication is received by approximately 2,300 email contacts. For more information, contact advertise@theassociationpartner.com.

DIGITAL AD RETARGETING PROGRAM

TRWA partners with The Association Partner to offer a digital advertising advertising program that offers precise, quantifiable and sophisticated opportunities to reach TRWA members, event attendees, and other water and wastewater professionals throughout Texas! If you are interested in learning more about this program, please contact The Association Partner to learn more and get involved! For more information, contact advertise@theassociationpartner.com.
