TSPE Excellence Award Nomination

There will be up to five awards given yearly to chapters or members who are promoting TSPE's mission and goals in their area. Nominations will be evaluated based on their ability to promote TSPE's mission and goals; their ingenuity; as well as their relevance to the geographic area in which they are located. Nominations must be received at the state office by March 15 and have been submitted by a TSPE member.

Chapter or Individual Nominated: _____

Nominated by (include name and contact information): _____

Please describe the program or initiative this person/chapter developed and why it is significant to TSPE. Please make sure to include how it promotes TSPE's mission and/or goals as well as why it is significant to the geographic area in which it has been implemented. Please include any documents or communications about this program.
