At the March 30th public hearing, the Board received comments regarding the proposed changes to Rule 664.3. Based on those comments, the Board decided to amend the rule to read as follows:

Beginning January 2011, a registrant, to be eligible for renewal of the certificate of registration, must accrue at least twelve (12) hours of completed board approved professional development activities during the immediate preceding twelve months in any annual period. Beginning January 2011 and every year thereafter, a minimum of three (3) of the twelve (12) hours shall be in board developed or approved hours on the Act, Rules, and/or ethics.

The Board also decided that, in order to be more flexible, the number of CEUs to be carried over should be unlimited. They also discussed eliminating the 4-hour increment requirement, allowing registrants to accrue CEUs in any number of one-hour activities and to encourage sponsors to include an ethics element in their courses.

All these items should be on the agenda for the June Board meeting for discussion. If it is agreed that the new language is acceptable, the rule will be proposed as such.

For more information, contact Robby Christopher at rchristopher@hugoreed.com or visit the TBPLS website at http://txls.state.tx.us.

Gov. Perry Names Smyth New Chair of Licensing Board

(April 20, 2010) AUSTIN – Gov. Rick Perry has named D.G. (Greg) Smyth of Uvalde chair of the Texas Board of Professional Land Surveying for a term to expire at the pleasure of the governor. The board protects Texas residents by regulating and licensing land surveyors.

Smyth is president of D.G. Smyth and Company Inc. He is a member of the National Council of Examiners for Engineering and Surveying and American Congress on Surveying and Mapping, and a life member and past state president of the Texas Society of Professional Surveyors (1997).

He is also charter president of Chapter 22 of the Texas Society of Professional Surveyors and is past president of the Dilley Independent School District School Board. Smyth attended Southwest Texas Junior College and Texas A&M University.

For more information about the TBPLS, visit their website at http://txls.state.tx.us or contact the board office directly at 512-239-5263.
TSPS Chapters Celebrate Surveyors Week 2010

Dallas Chapter 5

TSPS Chapters were busy during Surveyors Week in March, sharing information and knowledge about the land surveying profession in their communities.

Following are the activities that were undertaken by the Chapter 5 Public Relations Committee:

(From TSPS Dallas Chapter 5 President Raul Wong, Jr.)
Chapter 5 PR Committee Chairman Chris Freeman submitted an article about land surveying and Surveyor’s Week to the weekend supplement (Neighbors) of the Dallas Morning News.

The individual suburb editions included Garland, Mesquite, Duncanville, Rowlett, and Richardson. The potential readership reach of this effort would easily be in the six figures.

Briefly, the submitted article spoke about what land surveying is and its vital role to society. It referenced the Texas Society of Professional Surveyors and the local Dallas chapter, as well as contact info for both.

The article also referenced Chapter 5 activities with local Boy Scout and local school districts and educational institutions and surveying educational opportunities. It also mentioned the Governor’s Proclamation about Surveyor’s Week.

Chapter 5 PR Committee Chairman Freeman has arranged for a survey display at the Garland South Library Branch for the entire month of April. The library has previously hosted a survey display, and was eager for a return display. They noted that it had received some of the best feedback and interest from library patrons, which actually led to a follow up presentation to a children’s group. The Display will include survey instruments and tools, reference books, maps and plats, and TSPS related publications, as well as Chapter 5 contact info. Several Chapter 5 members will provide the display items, including John Pierce, Robert Schneeberg, Martha Compton, Rudy Santini, and Chris Freeman.

North Texas Chapter 2

North Central Texas Chapter 2 prepared a Surveyor’s Week flyer (left), and copies were handed out to the Chapter members to be displayed in any location that was permissible (public or private). In addition to this, chapter member Bill Coleman obtained a Surveyor’s Week Proclamation from the Mayor of the City of Denton.

Mark Your Calendars For Upcoming Surveyor's Week Celebrations

March 20-26, 2011
March 18-24, 2012
March 17-23, 2013

In The News

Rio Grande Valley Chapter 19

Thanks to Don Wilson (top photo, left), CPA, for his informative presentation at the April 6, 2010 meeting of the Rio Grande Chapter 19. Don, who provides accounting and financial advice to small business, large engineering companies, and commercial corporations, spoke about the effects of new taxes and health care reforms and how business operations of surveyors and engineers will be changed by current tax law.

Attending the April 6 meeting were Manuel J. Montemayor, President; A.C. Cortes, RPLS, Secretary-Treasurer; Robert Tamez, SIT; Don Wilson, CPA; James Holdar, RPLS; Jorge Rodriguez, RPLS; Victor Garcia, PE; Francisco Rios, RPLS; and Keith Houseman, RPLS, editor.

Jorge Rodriguez, RPLS, (bottom photo, left) and Robert Tamez, SIT, were on hand as Don Wilson answered attendee’s tax questions.

(Submitted by Keith Houseman.)
Texas Board of Professional Land Surveying
Compliance Checklist

(From Don King, RPLS #3896 – Sandy Smith at the Board of Land Surveying, was nice enough to give me this list so I could pass it on to the Title Companies, and surveyors, etc. In Brown County, Title Companies have joined forces in the hope of getting quality surveys, and they needed a basic check list to help them judge what was supposed to be on a survey. I would like to encourage everyone to give it to your Banks, Title Companies, Real Estate people, and fellow surveyors who deal with quality surveys. The list has requirements of Basic Surveys, and does NOT include Requirements of a Cat 1a. (which in Brown County, the Title Companies require on Improvement Surveys.) Education is the only way to cure a lot of these problems.)

Survey was performed by the signing surveyor or an employee under his direct supervision. (SEC 18a)

License of supervising surveyor is current and active. (SEC 17)

If surveyor is not surveying as an individual, a certificate of firm name has been filed with the Texas Board of Professional Land Surveying. (SEC 21)

No unlicensed person was allowed to exert control over this survey. (663.5-1)

Project was completed within the time estimated or acceptable variance. (663.5-4)

Project was completed within the cost estimated or acceptable variance. (663.5-4)

The calculated relative precision is within minimum standards. (663.15)

(1:10,000 within city limits)
(1:7,500 within city ETJ)
(1:5,000 rural)

Survey measurements were made with equipment capable of achieving the minimum standards (663.15e)

Survey follows the footsteps of the original surveyor by proper application of the legal principles of surveying. (663.16a)

Appropriate deeds were researched to determine boundaries of the subject parcels. (663.16b)

Survey is the result of adequate research to support intended boundaries or research information was provided by qualified provider. (663.16c)

All boundaries connected to identifiable physical monuments of record. (663.16d)

Monuments set are of durable material at sufficient depth and of sufficient size. (663.17a)

Sufficient monuments were set to mark surveyed boundaries. (663.17b)

Monuments found and set are adequately described. (663.17b)

Where practical, monuments set to delineate or witness a boundary corner are marked in a way that is traceable to the RPLS. (663.17d)

Survey meets minimum TBPLS standards or completely meets other standards certified. (663.18)

Discrepancies between record and conditions discovered are referenced and reported to client. (663.19-3)

Plat is to a convenient scale. (663.19-3)

Plat has notation which defines line for directional control. (663.19-4)

Surveyor’s seal was impressed by surveyor. (663.8-4)

Survey has original signature of surveyor. (661.46a)

Noted on the plat are which monuments are set and which monuments are found. (663.19-6)

References on the plat cite the instruments of record of the adjoining boundaries. (663.19-7)

Client has been notified of the name, address and telephone number of the Board for the purpose of directing complaints. (SEC 29a)
Enter A BBQ Cook Off Team at 2010 Ray Wisdom Auction!

(TSPS Members ... BBQ Cook Off teams are invited to participate in the 2nd Annual Ray Wisdom BBQ Cook Off June 5, 2010 in Austin. The Cook Off is part of the annual Ray Wisdom Auction, which provides funds for TSFI and scholarships for Texas land surveying students. See details below, and register early to be one of the six invited teams!)

THE RAY WISDOM BBQ COOK OFF AND AUCTION

TO BENEFIT THE TEXAS SURVEYORS FOUNDATION, INC. (TSFI)

DATE: JUNE 5, 2010

TIME: 10:00 am to 4:30 pm

LOCATION: Richard Moya Park (just minutes from the Austin Airport Hilton, site of the TSPS Quarterly Board Meeting)

ENTRY FEE: No cost. Each team must supply and cook donated meats for auction event

This year we are inviting six BBQ teams to participate in a cook off at the Ray Wisdom Auction. TSPS will accept the first six teams that register as participants in this year’s event. Teams can be sponsored by TSPS Chapters, student groups or companies and are limited to four members per team. Each team will prepare two competition meats for judging by the TSPS Executive Committee.

COMPETITION MEATS: Pork spare ribs and whole chicken

Cooking must be complete by 4:30 and judging will begin between 4:30 and 5:00.

***DONATED MEATS: Sausage, pre-cooked brisket – Each team should prepare enough donated meat to feed 25 diners (sausage and brisket donated by J-B Foods)

DEADLINE FOR REGISTRATION: May 29, 2010.

Contact Paul Carey at txsurvey@att.net to register or for more details.

Stay For Picnic & Auction Following Board Meeting

(Remember the picnic and auction will follow the Board meeting on Saturday. TSFI benefits from the auction proceeds and your support with auction items and bidding will continue the scholarships awarded to students entering the profession.)

BOARD OF DIRECTORS MEETING

June 5, 2010

The second Board meeting of 2010 will be held at the Airport Hilton Hotel

9515 Hotel Drive • Austin TX 78719

512-385-6767

on June 5, 2010.

The TSPS room rate is $114 per night. Please note the reservation cut-off date is May 14. Call 512-385-6767 or 800-584-5091 for room reservations. Reserve online at www.austinairport.hilton.com using the promotion code: TSP.

Reports are due by May 14, in order to be included in the Board books. Please email (anneg@tsps.org) committee reports to arrive by that time. Review your committee goals, paying special attention to any action items referred to individuals or committees by President McLain. Those items should be specifically reported at each quarterly Board of Directors meeting.

Since the picnic will follow the board meeting, President McLain has declared casual dress for this meeting.

June 4 – Friday

2 PM – Convention Committee

5 PM – Executive Committee Meeting

(Pres McLain’s suite)

7:30-10:00 PM – Hospitality (BYOB)

June 5 - Saturday

7:00-11:00 AM – TSFI Trustee and various committee meetings

9:00-10:45 AM – Chapter Presidents’ Forum

11:00 AM-1:00 PM – Chapter Presidents’ Lunch

1:00-5:00 PM – Board of Directors’ Meeting & Ray Wisdom BBQ and Auction

Any committee chair needing space for a committee meeting should contact the TSPS office ASAP for your arrangements.

Call For Nominations For Awards

(From Awards Committee Chair Paul Carey)

As many of you know, we had no nomination or recipient of the Hugh L. George Award last year. Let's not have a repeat.

This year we need nominations for the following Awards:

• Hugh L. George
• Surveyor of the Year
• Young Surveyor of the Year
• Vern Wayne Hanan Community Action
• Chapter President of the Year
• Geospatial Professional of the Year

It takes a little time to complete these forms, so do not procrastinate! Just go to:

http://www.tsps.org/Membership/awardsform.htm

Thank you all for your attention.

please send nominations to:

Paul T. Carey
Chairman – Awards Committee
txsurvey@att.net
or fax to 830-538-9783

Please send nominations to:

Special Thanks To Our Troops...

(Submitted by Chris Freeman, Public Relations Committee Chair)

Thought it would be nice to share with our members some TSPS members and/or family members who are on active duty in various branches of our Armed Services.

Attached are two photos of a TSPS member, David Rolbiecki, RPLS # 5919 (below photo), left photo – third from left). David is currently serving a third tour in Afghanistan, and has served twice in Iraq. David is a member of Dallas Chapter No. 5, and stationed at Camp Mabry when in the States.

The service of the men, and all members of our Armed Services, is greatly appreciated!

John Melton, a Boatswain’s Mate in the U. S. Navy, is currently on tour in the Middle East on a patrol unit that intercepts pirates, terrorists, and drug smugglers off the eastern coast of Africa, as well as conducting sea rescue operations. He is the son of Chapter 5 member John Melton, RPLS #4268 (operating Machine gun).
INSTRUMENT OPERATORS and CAD TECHS NEEDED
Professional Land Survey firm has immediate openings for instrument operators and survey CAD technicians. Must have experience in pipeline surveying. Registration as an SIT is a plus. Submit resumes to surveyingcareers@yahoo.com.

RPLS NEEDED – SAN ANTONIO
We are a high-volume title/mortgage survey company serving San Antonio and surrounding areas. We are looking for a hard working, highly motivated RPLS. Please e-mail resume and salary requirements to rpls.resumes@gmail.com.

POSITION AVAILABLE

SkillsUSA Competitions

Mansfield ISD Standouts

The District 4 SkillsUSA Competition was held February 26 and 27, 2010, on the campus of Texas State Technical College in Waco, Texas.

The students who competed from Mansfield Independent School District were taught by Michael Evans, with assistance from Jamie Gillis, in preparation for the District 4 and State competitions.

The winning students attend the Construction Technology class at Ben Barber Career Tech Academy. Their Construction Technology teacher is Gene Schramme, who was on hand at a recent TSPS North Central Texas Chapter 2 meeting at the Hofbrau Steakhouse in Haltom City.

Texas Ranger Hall of Fame & Museum Gets Special Visitor

Robert Duvall Films PSA For Museum

(Photos and text courtesy of Texas Ranger Hall of Fame and Museum)

On Thursday, April 8, 2010, the Texas Ranger Hall of Fame and Museum welcomed honored guest and Academy Award Winner Robert Duvall and his wife Luciana Pedraza to the museum. The museum features many exhibits on the history of the Rangers, including the special relationship between the history of that law enforcement body and Texas land surveyors. The TSPS Historical Committee helped establish a Land Surveying Exhibit at the museum, and the association's 2009 Spring Symposium in Waco featured its Friday Night Event at the museum. A TSPS Geocache location at the museum was also unveiled during that event.

Mr. Duvall is best known for his role as Texas Ranger Captain Augustus "Gus" McCrae in Lonesome Dove. Capt. Hank Whitman, Deputy Assistant Director of the Texas Ranger Division, and Mr. Duvall's friend, Texas DPS Commissioner Tom Clowe, escorted him to Waco and the museum.

Joe Hinton, Advisory Board President, and Mayor Virginia DuPuy appointed Mr. Duvall an honorary member of the board. Mr. Duvall donated his time and services to film a thirty-second television commercial and public service announcement (PSA) for the museum. The PSA will air on city cable channels across Texas. The staff from the City of Waco's station WCCC10 filmed the segment. After filming the segment in the Hall of Fame, Mr. Duvall, Texas Rangers, guests, and staff enjoyed Barbeque from Uncle Dan's. Senior Captain, Antonio Leal, the Assistant Director of the Texas Rangers Division, presented Mr. Duvall with an official Texas Ranger cowboy hat. Mr. Duvall also received a service belt buckle and commemorative pocketknife in appreciation of his services from Company "F" Texas Rangers, who have their headquarters at the museum. The night concluded with a tour of the museum galleries.

The museum thanks the WCCC10 staff for their hard work, Captain Whitman and Mr. Clowe for bringing Mr. Duvall to the museum, Mr. Duvall for his kind remarks about the Texas Rangers and the museum, and everyone else who made the night a success.

All items presented to Mr. Duvall are available for purchase at the museum gift shop. Call (254) 750-8631 to order yours today.

To watch Mr. Duvall and see more photographs of his visit to the museum, visit the museum's website at http://www.texasranger.org/Duvall/Duvall.html. And don't forget to visit the museum and enjoy the professional exhibit on land surveying ... one of the first exhibits visitors see when they enter the museum!
