WHAT DO YOU VALUE IN BEING A MEMBER OF TUG?

The ability to interact and share ideas with other Sage users. While TUG is a wonderful resource for enhancing your software skills, it's also an excellent way to meet others in your specific industry – people who face or have faced the same issues you deal with daily. I'm amazed at how quickly members develop a network of friends they can call upon to discuss problems and share solutions.

WHAT DO YOU SEE AS THE MOST IMPORTANT GOAL THAT TUG NEEDS TO STRIVE FOR?

Increasing member participation and networking and acting as an advocate for all users as our respective software platforms evolve in the coming years.

WHY WOULD YOU BE A GOOD LEADER WITHIN THE TUG ORGANIZATION?

As an end user I'm well versed in the daily challenges we all face. I enjoy sharing ideas as well as collaborating with others in addressing our common problems. Being a long-term member of TUG has definitely made my job easier and I endeavor to help others have the same experience.
