WHAT DO YOU VALUE IN BEING A MEMBER OF TUG?

I have 30 years' experience in Sage 300 CRE and have now added Sage Intacct to my resume. I enjoy helping others get the most value out of their accounting software and showing others the many ways to be more efficient and knowledgeable.

WHAT DO YOU SEE AS THE MOST IMPORTANT GOAL THAT TUG NEEDS TO STRIVE FOR?

To continue the support of new and not-so-new members and to share the knowledge and experiences with those seeking help and understanding and to engage in peer-to-peer introductions.

WHY WOULD YOU BE A GOOD LEADER WITHIN THE TUG ORGANIZATION?

With many years of experience and past participation, it has given me a wealth of opportunity to learn, therefore able to share the many processes that can help make our work easier and more accurate.

I bring a strong work ethic and eagerness to continue to learn from others as well as teaching others. I look forward to the opportunity to serve our membership and become more involved on a higher level again.
