

Texas Radiological Society Event Cancellation Policy

A full refund of the total registration fee and social events fee, minus a \$50 administration fee, will be provided to registrants who cancel their registration in writing, on or before 5:00 pm **fourteen days prior to the TRS annual meeting start date**. No refunds will be provided for cancellations after that date. Non-attendance does not constitute notice of cancellation.

We expect our events to occur rain or shine and make every effort to ensure that happens, however, the safety of our participants is of great importance. In the event of severe weather or any other Force Majeure circumstance, TRS leadership, in communication with the venue, local law enforcement and the city, may delay, cancel, or make changes to the event. Situations that constitute Force Majeure include any event that we cannot foresee or avoid, even if we take all appropriate precautions. Such situations include fire, flood, explosion, storm or other weather damage, break-in, criminal damage, riot or civil disturbance, industrial behavior, natural or nuclear disaster, fire, adverse weather conditions, war or threat of war, actual or threat of terror Activities, epidemics and all similar situations beyond our control.

Events that are cancelled due to Force Majeure circumstances may be rescheduled.

If the conference is canceled or affected due to Force Majeure circumstances, Texas Radiological Society will not bear any responsibility, refund, or pay any compensation.
