

## **Mike Dalton, MBA, CPA, NHA**

Mike Dalton is the Founder and Managing Director of Quixote Capital, a group which invests in and partners with small, profitable, and growing businesses with focus Healthcare Services, B2B, and Software / SaaS.

In 2010, Mike co-founded Immediate Clinics, an Urgent Care platform offering patient services in Urgent Care, Primary Care, & Occupational Medicine. As President, he led Immediate Clinic's growth to 17 clinics in Colorado and Washington. In 2016, the Washington clinics were acquired by MultiCare Health System, and the Colorado clinics were acquired by UC Health.

Mike was also part of the investment group that acquired Doctors Express, a national platform of Urgent Care clinics, which grew to 70+ locations in over 20 states before being acquired by American Family Care in 2013.

Mike was an early investor and Board Member at Docutap, a leading EMR & Practice Management SaaS company focused on the Urgent Care space. Before entering the Urgent Care space, Mike spent 10 years with the Ensign Group & its affiliates, leading operations in post-acute care such as Skilled Nursing, Assisted Living, Home Health & Hospice. Prior to Ensign, Mike worked at KPMG, LLP where he earned his CPA and worked as a consultant / advisor in their Healthcare Practice.
