

USFN Announces Provana as a New Associate Member

[DALLAS, TX | NOVEMBER 14, 2022] USFN, a trade organization representing America's mortgage banking attorneys, is pleased to announce Provana, LLC has been selected as one of its newest associate members. Provana offers technology and systems consulting to industry law firms and servicers, with solutions like business process automation, compliance management, process management, attorney oversight management technology, and business analytics dashboards.

"Provana is an exceptional addition to USFN's growing base of associate members, and we are excited to welcome them to the USFN family," said Pamela L. Donahoo, CAE, USFN CEO. "Applying for USFN associate membership is an extensive application process, and it's organizations like Provana, who have demonstrated success and ongoing support of the industry, that ultimately become members of USFN - America's Mortgage Banking Attorneys."

Sandeep Bhargava, CEO of Provana, said, "The speed with which our solutions created value in the industry and the subsequent urging of our clients pointed us directly to the USFN community. We are honored to partner with USFN in our investment in digital transformation for the default law firm industry."

Exclusive. Prestigious. Distinguished. These are just a few words that describe USFN members. USFN associate members meet the highest industry standards in their fields, participate in mortgage finance industry organizations, as well as actively participate as speakers and writers for USFN events and publications.
