

## **SC BANKRUPTCY COURT UPDATE Limitation on In-Court Appearances**

The Bankruptcy Judges in the District of South Carolina have issued Amended Operating Order 20-03 (Amended Op Order) which removes from the existing Operating Order 20-03 the original May 31, 2020, date as the end date for telephonic or videoconference hearings. (See [link](#) below)

The Amended Op Order deletes any reference to a specific 'expiration' date and advises that parties should anticipate that hearings scheduled before the SC Bankruptcy Court will continue to be conducted by phone or videoconference when practical and will further be conducted pursuant to each respective Judge's instructions and Chamber Guidelines.

**Accordingly, the Bankruptcy Court in South Carolina is continuing to limit and minimize In-Court Appearances until further notice.**
