

TOPAZ MUSEUM

The Utah Division of Arts & Museums invites you to discover Utah's museums through a variety of exhibits and programs our museums have to offer. Over 260 Utah museums offer you a rich and diverse experience in a wide range of subjects, from art, culture, and history to science, botanical gardens, and zoos.

This directory has divided Utah Museums into six regions with cities listed alphabetically in each region:

Wasatch Front
Northern
Eastern
West Desert
Central
Southwest

For additional information on Utah's museums, please see the Utah Museums Association website: utahmuseums.org

For museum resources, please visit the Utah Division of Arts & Museums website: museums.utah.gov

Replica of the "No Name"

Constructed by and on Lake Lewis
George Swain and R.R.D.

The "No Name" was built by
George Swain, and was
used as a launch for
Wesley Powell's first
trip down the Green
River and Colorado
River, which accompanied
him on the upper
reach of Lewis on the
west of the range was built.
