

Valley Partnership
2022 Community Project Grant
Opportunity

Since 1987, Valley Partnership has served as the premier advocacy group for responsible development. One of our cornerstones of the organization is community service.

Each year, Valley Partnership selects a charitable non-profit organization for the annual Valley Partnership Community Project to provide facility enhancements. The past 35 years, our projects have raised, designed, and constructed \$4.2 Million of enhancements across the Valley.

1989-90	US Desert Botanical Garden
1988-89	Casa Teresa Women's Shelter

WE ARE CURRENTLY ACCEPTING PROPOSALS FOR OUR 2022 COMMUNITY PROJECT

PROJECT SCOPE:

The proposal must be for a qualified charitable organization located in the Valley. We are looking for volunteer activities that can be completed and accommodated by up to 75 non-skilled volunteers on Saturday, November 5, 2022. Projects must consist primarily of painting, landscaping clean up, organizing, and other projects both outside and inside of the project site.

Since most of the work is executed by Valley Partnership volunteers providing unskilled labor, scopes should exclude work needing to be performed by any type of licensed professionals.

DEADLINE:

The deadline to submit completed applications is Monday, May 13, 2022. An onsite visit and interview are required to qualify. Final selections will be made in mid-June 2022. For more information or to discuss your scope of work, please contact Carrie Martin at 602.266.7844.

Please email your completed application using the below format along with other required information to cmartin@valleypartnership.org.

APPLICATION/PROPOSAL FORMAT – PLEASE PROVIDE IN WRITING THE FOLLOWING:

1. Organization's legal name
2. Contact name, phone number, and email address
3. Mission of the organization and who is impacted/beneficiary of the charity
4. Physical address of the site
5. Legal name of owner of the facility and/or property
6. Please provide details regarding the history of the organization, proof of good standing with all laws and regulations, and annual budget of the organization
7. Can your organization assist in any of the volunteer efforts of the project?
8. What is the parking availability at the project site?
9. "Wish List": Outline and describe the desired projects (landscaping, painting, organizing, clean up, etc.).
10. Send photos of the area(s) of where projects are needed
11. Describe the impact these desired projects would have on the organization
12. Names and roles of Director/President and facilities managers/caretakers
13. Provide most recent financial statement
14. Are there any restrictions on sharing publicly or through any media channels the selection of the organization based on privacy issues or internal guidelines? If so, please share specifically?
15. Are you able to attend two Breakfast events on Friday, September 23, 2022 and Friday, October 28, 2022 from 7:30 – 9:00am at the Phoenix Country Club and speak to 150+ attendees on the impact of this event day?

Before event day, we do have pre-work and planning that must occur on the site. In addition, on event day we typically bring 75 volunteers to the project site. It is important that the site be accessible, have easy access to parking, and accommodate a group of this size. It is also important that there are enough projects to keep volunteers busy, so we want to make sure there are enough tasks to perform.

Tuesday, April 5 RFP Applications open
Friday, May 13 – Application submittal closed
May 16 – May 18 – Cheryl and Carrie review applications
May 19 - May 23 – Committee to review applications / site visits
Thursday, May 26 – Committee Meeting to vote top 2 charities
Friday, June 3 – Bring to Board
