- Reports VE events & programs

INVEST continues to publish its quarterly magazine “INVAVE” for the consecutive 37th year
INVEST continues to maintain its website www.invest-in.org for consecutive 22nd year.

The Indian Value Engineering Society established in October 1977, serves Indian Industry by dissemination of specialized knowledge to professionals, who in turn help industries to improve their profitability through the technique of Value Engineering.

INVEST organizes awareness training programs and workshops conducted by Certified Value Specialists and other experts from both within and outside the country. INVEST conferences provide an exciting forum for exchange of knowledge among active practitioners, which help them adopt and innovate in their areas of work.
VE has spread from manufacturing to construction process & Education sectors

29% Increase in Active AVS/VMA population over 2015-16
