## ● **Promotion VM:**

- Offer VE/VM Activities News and Magazine once per quarter.
- Provide domestic & international(if possible) conferences.

## ● **Advocate VM:**

- Develop Customer Satisfaction Program for SKVM members
- Develop new methodology and tools.
- Develop infrastructure for international consulting  
& professional collaborations.
- Establish Global System for VE/VM Activities.

## ● **Certify VM:**

- Open Forum semi-annually.
- Improve in quality of managing CVS qualification.
- Improve domestic VE/VM associations & agencies networking.  
(Unifying the initial & re-certification qualification)
- Develop rules for managing qualifications.

## ● **Education VM:**

- Provide domestic & international conferences material  
& develop study and research group.
- Provide VE/VM Benchmarking & Education programs.

## ● **SKVM In-Progress of Developing Opportunities:**

- Korea VE/VM Conference: Sept. 26~27, 2017.
- International VE/VM Conference in Korea: April 26~27, 2018.
- International VE/VM project opportunities between SKVM and other SAVE International® affiliate members.
- Fast rising corporate members from Korean government and public sectors offering potential international projects, including Korea Environment Corp. (KEC), Public Procurement Service (PPS), Ministry of Land, Infrastructure and Transport (MOLIT), Korea Expressway Corp., and etc.
