(Shenandoah Valley)

VAMA POLITICAL ACTION COMMITTEE

VAMAPAC is a bipartisan political action committee that supports candidates for Virginia's General Assembly who understand the rental housing industry's needs. Our industry is facing significant challenges, and to prevent harmful housing policies, it is crucial that we raise at least \$150,000 to elect legislators who support quality housing for all Virginians!

Management Company dues invoices will include a voluntary \$0.25 per unit PAC contribution for 41 units or more. 40 units or less will include a voluntary \$50 PAC contribution. Supplier dues invoices will include a voluntary \$50 PAC contribution.

Once you receive your invoice, kindly reach out to us if you wish to be excluded from this important initiative.

WWW.VAMAONLINE.ORG

2026 VAMA CALENDAR OF EVENTS

Payment for all events is due BEFORE the event. If you need an invoice, please register far enough in advance where we will receive payment in time. All education / event dates and prices are subject to change. Events may also be added to the calendar. For up-to-date information, please visit us online at www.vamaonline.org!

Accelerate Your Leasing

NAA Click & Lease is an online leasing tool designed to enhance compliance and accelerate the leasing process. NAA Click & Lease combines legal expertise with easy-to-use technology.

We Put **Ease** in Leasing

Features

Compliant Documents

Lease forms are automatically updated through an annual review process, and are reviewed for compliance with landlord-tenant laws and regulations at the local, state and national levels.

Customizable Lease Package

Add custom documents or language within documents, and configure your lease package to have the documents and information you want in your preferred order.

PMS Integration

The multi-user platform integrates with most property management software.

Litigation Defender Insurance

Triggered whenever a resident challenges a provision of the NAA Click & Lease Form. (Contact NAA for Terms and Conditions.)

Online & Paperless

Web-based software to streamline your leasing operations with E-signatures.

Simple Application

A simple, online rental application helps keep information in one place and optimizes the application process for prospective residents.
